What is UP All Night?

UP All Night is a day packed with activities followed by an overnight camping experience for the father/family representative and children! Parent volunteers organize the event and supervise the activities.

Suggested minimum age: 4 years old through 4th Grade at UP Elementary. All children, regardless of age, must register for the event to participate in the activities, even if they do not plan to camp for the night.

UP All Night Mandatory Volunteer Sign Up Information

- **Mom and/or one family representative of the attendees must volunteer to make this event a success!**
- You will be able to sign up for your volunteer shift via Sign-up Genius and choose how, when, and with whom you will volunteer!
- Volunteer options will include pre-event and day of event options.
- Look for the sign-up email to go out 3-4 weeks prior to event. (Amazing UPPA Members do **NOT** need to sign up for a volunteer shift.)
- Young children not participating in the event may not accompany you to your volunteer shift. This includes children in strollers.
- If your volunteer duty is not fulfilled, your family will not be allowed to attend next year's event.
